MEMORANDUM FOR: [REDACTED]  
Deputy Executive Secretary

FROM: [REDACTED]  
IG Review Group

SUBJECT: Recent OIC Requests

25X1

25X1

1. In reviewing our files, we find no original material that the IG has in its possession relevant to OIC Requests 38, 38A, 39, 40, 42, 43, 47, 49 and 50.

2. We also have no comments on ITF-268. As I understand it, that memorandum was discussed some back at the SRG and a decision was made that IMS would conduct a review.

3. On OIC Request #38 and 38A, the position of the Inspector General--to which Randy Bellows agreed--is that the OIC can read the notes, memos and records, etc., relating to the Central American investigation here in the IG office. That material is available for that purpose if the OIC so requests.

4. You may recall that the Inspector General had requested from you copies of some documents mentioned in various OIC requests. We have not yet received them. [REDACTED]
